

Oceanside Museum of Art

Docent led exploration of the museum and free time at the end to explore on your own. OMA's exhibitions showcase the finest art of regional and international artists. From classic landscape paintings and studio furniture to neon sculpture, art quilts and architectural glass, the museum's galleries are redesigned for each exhibit, surprising visitors with a fresh, exciting visual transformation for every show.

Friday, September 23 at 10:00 am
Sign up by Wed., September 21st
